Imagine that you are talking to your friend about learning a language. Your friend asks you four questions. Listen to the questions and answer each one in one or two full sentences.

Question (1) | Other than English, what foreign language do you think is important to learn?

Question (2) | Why do you think this foreign language is important to study?

Question (3) | Where is this language spoken?

Question (4) | How would you improve your language skills?

Listen to a story that describes a problem, and think about how to solve it. Listen carefully and talk about your ideas for one minute.

You made plans to watch a movie with your friend, Mary. You were supposed to meet her at 6 pm in front of the theater, but you are late because of heavy traffic. It's half past 6, and the movie has already started. It might take another ten minutes to get to the theater, and Mary is upset. What would you say to Mary when you see her?

Mary, _____

Imagine that you are talking to an environmentalist, James, in a living library. He tries to do everything he can do in daily life to save the planet. He asks you four questions. Listen to the questions and answer each one in one or two full sentences.

Question (1) | What do you think is the most serious environmental problem?

Question (2) | What will happen if the problem continues?

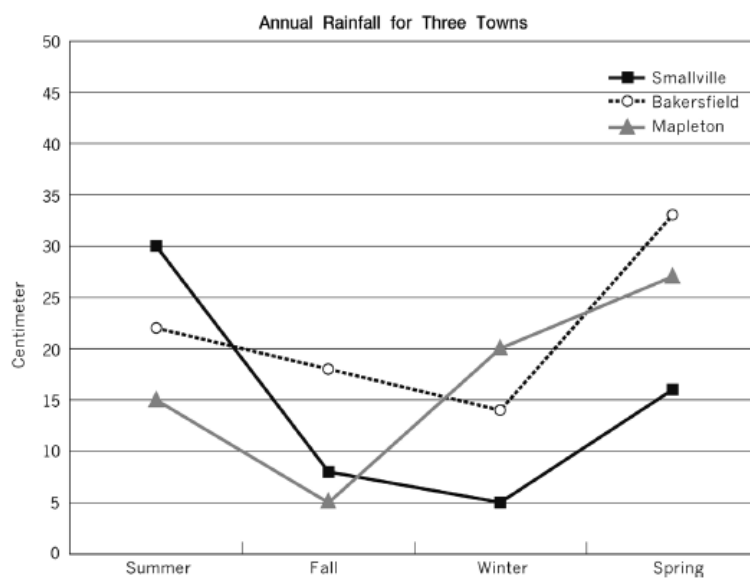

Question (3) | Can you describe the cause of the problem? Why does it happen?

Question (4) | What will you do to solve the problem in your everyday life?
