Introducing Hyunsan Elementary School

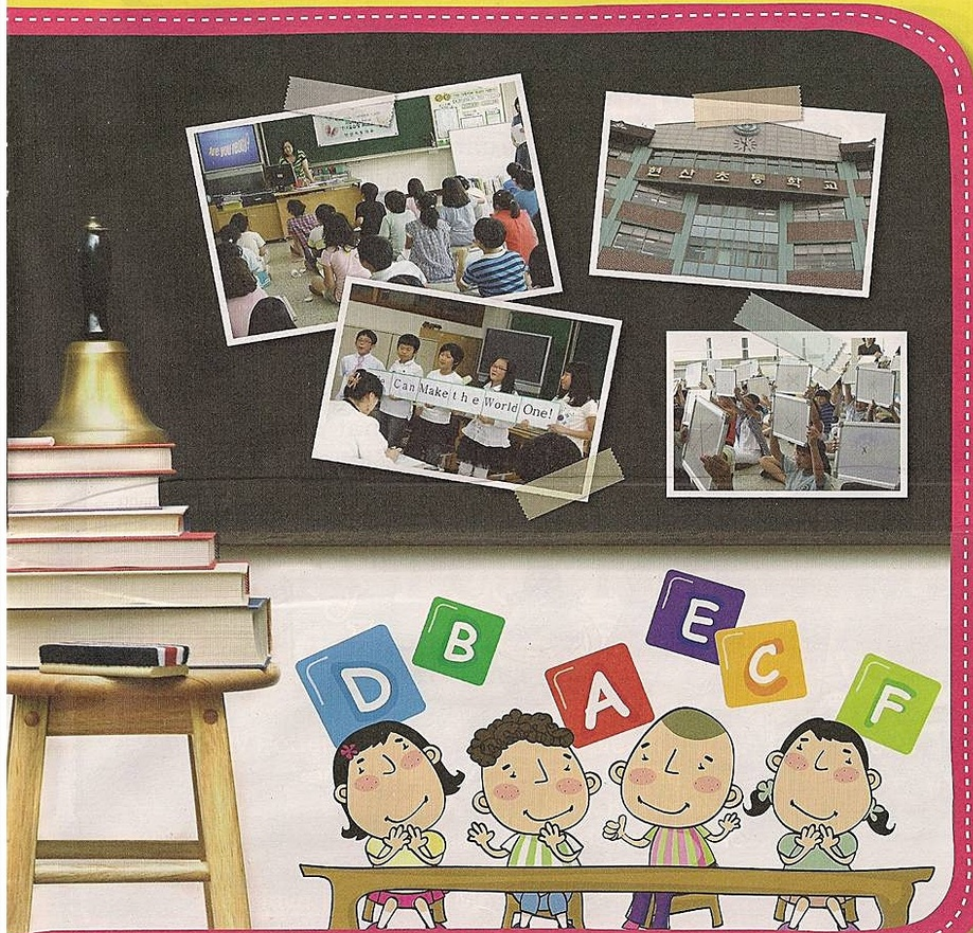

Are you enjoying your school life, everyone? Have you **made** many new **friends**, too? I really hope so. Studying hard is important, too. To see how well children study, I visited Hyunsan Elementary School in Ilsan on March 4.

▶ Principal Kim Song-ho

Hyunsan Elementary School was built in 2000. Teachers at the school love their students very much. They teach the children hard even after school. "We made special classes for our students. They can learn many things in after school classes. Most children's favorite subject is English," said teacher Cha Yong-suk. The students learn English from foreign teachers. They learn English in fun ways with *The Kinder Times* and *The Kids Times*! The school also holds English Golden Bell Contests to make English more fun. "I want to give my students a good education. I want to make their school life happy, too," said Principal Kim Song-ho. Yes, students at Hyunsan Elementary School look very happy!

When Did People Start Giving Chocolate on Valentine's Day?

We celebrate Valentine's Day on February 14 every year. People in many other countries celebrate the day, too. On this day, people give chocolate to their loved ones. This tradition started around in the late 1800s in England. Today, chocolate is still the most popular gift for Valentine's Day. In fact, more than 35 million boxes of chocolate are sold on that day in America alone! That's a lot of chocolate!
