ADVANTAGES	DISADVANTAGES
Introduction Korean high school students should study abroad for three reasons.	Introduction Although study abroad sounds interesting, it may not be good for Korean high school students.
1. helpful for young language learners	1. not enough time to be effective
2. learn foreign culture	2. too much money
3.	3.
Conclusion For these reasons, I think studying abroad can be very beneficial.	Conclusion As a result, I think studying abroad is not important.

This image shows a single sheet of white paper with rounded corners. It features horizontal ruling lines spaced evenly down its length. The paper is oriented vertically and appears to be a template for writing or drawing.

Think about a product that causes deforestation. Write a one-paragraph essay that includes the three points in the box. Write around 80 words.

- The name of the product
- Why the product causes deforestation
- How people can change their use of this product to help reduce deforestation

Outline

> Name of the product: _____

> Causes of deforestation: _____

> How to reduce deforestation: (1) _____
 (2) _____
 (3) _____

Introduction: I believe it is important for young Koreans to learn how to play traditional Korean music.	Introduction: Although traditional Korean music is important, young Koreans should not be forced to learn it.
1. It is important to appreciate Korean culture.	1. Other instruments are also great.
2. Korean instruments sound beautiful.	2. Korean instruments can be expensive and fragile.
3.	3.
Conclusion: For these reasons, I think young Koreans must learn how to play traditional Korean music.	Conclusion: Therefore, I think it is fine for young Koreans to learn how to play music from other cultures.

This image shows a single sheet of white paper with rounded corners. It features horizontal ruling lines spaced evenly down its length. The paper is oriented vertically and appears to be part of a notebook or binder, as evidenced by the dark binding visible along the left edge. There are no markings, text, or drawings on the page.

Introduction: Although technology is critical to our lives, it has hurt people's relationships.	Introduction: I believe that technology has made personal relationships stronger.
1. Families spend less time together.	1. People can stay in touch easier.
2. People don't want to talk as much.	2. Communication is faster.
3.	3.
Conclusion: Therefore, technology is both good and bad.	Conclusion: For these reasons, I think that technology has helped people a great deal.

Introduction I believe that visiting an art gallery once a month has many benefits for high school students.	Introduction For many reasons, I think visiting an art gallery once a month is not a great idea for high school students.
1. appreciate the masters	1. takes a lot of time
2. see the rewards of hard work	2. some students causing trouble
3.	3.
Conclusion It is thus clear that visiting an art gallery can be helpful.	Conclusion In conclusion, I think the visit may do more harm than good.

This image shows a single sheet of white paper with rounded corners. It features horizontal ruling lines spaced evenly down its length. The paper is oriented vertically and appears to be a standard notebook page or a piece of stationery designed for writing. There are no margins, text, or other markings on the page.
