Dokdo Ad in Samoa News

On 22 January, a full-page advertisement about Dokdo appeared in the Samoa News. Samoa is a small country in the South Pacific. "It is important to let even the world's small countries such as Samoa also know about Dokdo," said Professor Seo Gyeong-deok. He is working hard to introduce Korea to the world. Many people who live on the island read the Samoa News. People in Hawaii and Europe also read it. Let's hope the ad will help many people know about Dokdo!

Samulnori with Falling Flowers

Look at the picture! Aren't the falling pink flowers beautiful? But these flowers are not real. Can you believe that? They are 3D images. The images were used at Samulnori shows held in Seoul from January 27 to 31. The 3D flowers made the Korean traditional music performance more special!

Learn from Your Mistakes!

Oops! Are you in trouble? Did you make a mistake? Don't worry. It's ok to make a mistake. In fact, you can learn many things from your mistakes!

No one is perfect. Everyone sometimes makes mistakes. Even your mom and dad make mistakes! It's true that it doesn't feel very good to make a mistake. But you know what? It is a good way to learn something! First, admit your mistake. Second, think about how it happened. Third, learn from your mistake and be careful not to make the same mistake again. Sometimes people even find new ways to solve problems by making mistakes!

Staff reporter Liz Ahn

Don't Make the Same Mistake!

The other day, I made a terrible mistake. I had an appointment with my friend, but I totally forgot! Instead, I watched TV at home. Soon, I fell asleep. My friend was waiting for me outside. He called me, but I couldn't hear the phone ringing. I woke up a few hours later. When I called my friend back, he was very angry! He even got sick because of the cold weather! I felt very bad. From that day on, I always write down important things in my notebook. I don't want to make the same mistake again!

How Old was the World's Oldest Dog?

Many people keep pet dogs at home. They want their dogs to live long lives. So, how old can a dog live? Most dogs can live about 15 years. But some dogs live longer than that. Surprisingly, the oldest dog in the world lived 21 years! That's 146 years in human age! His name was Otto. He lived in England with his owners. He liked to play with children. Sadly, Otto died on January 15. He was listed as the oldest dog in the world last year in the Guinness Book of World Records 기네스북.
