This can give us great insight into human behavior. For instance, someday when we have children and don't know how to respond to a certain situation they are involved in, it might help if we could recall how we felt when we were their age in similar circumstances. 【1번】 대화를 듣고, 남자의 심정으로 가장 적절한 것을 고르시오.

W: Did you sleep well last night?

M: No. I'm so tired because I only slept for three hours.

W: Why?

M: Because of my really noisy neighbor. When I was just about to go to sleep, the man who lives right above me started to play the guitar.

W: Really?

M: It was almost midnight!

W: Midnight? Did you go to his place and tell him to stop?

M: Yeah, but it didn't work. He just said that he has to play the guitar before he goes to bed. He is so selfish!

W: He sure does have a strange habit.

M: Well, I can't stand it anymore.

【2번】 다음을 듣고, 이야기 내용을 순서대로 바르게 나열한 것을 고르시오.

W: I once had a strange dream. I was flying high over my village. It was wonderful to see the village from the sky. Then I landed safely on a street, feeling happy. But then, I felt like something was behind me. I turned around and there was a big dog showing his teeth! It was about to bite me, so I ran away from it as fast as I could. When I reached home, I opened the door and noticed something shining on the sofa. I took a closer look and saw that it was a bag full of diamond. I picked it up, and then I woke up.

【3번】 다음을 듣고, 빈칸에 가장 적절한 것을 고르시오.

W: Chocolate ganache is a mixture of chocolate and cream. It was first made in France in the 19th century. A worker in a chocolate company was careless. He dropped cream in some chocolate by mistake. His boss was angry at him and called him stupid. The French word for a stupid person is “ganache.” But the chocolate with cream tasted delicious. Today all chocolate makers call smooth chocolate with cream in it “ganache.”

【4번】 다음을 듣고, 남자가 메시지를 남긴 목적으로 가장 적절한 것을 고르시오.

(beeping sound)

M: Hi, Brian, it's Mike. I'm having trouble with the new laptop I bought last Saturday. Could you help me get it connected to the Internet? I installed that program you told me about without any problems, but I still can't get on-line. Could you come over and take a look at it? I really need to use the Internet tonight. Call me back as soon as you get this message. Thanks!

【5번】 대화를 듣고, 두 사람이 무엇에 관해 말하고 있는지를 고르시오.

W: Look over there, John. What are they doing?

M: They are setting up video cameras around the neighborhood.

W: Video cameras? What are they for?

M: They're for our safety.

W: Well, don't you think some people might feel uncomfortable?

M: Why would they feel uncomfortable?

W: I mean, they might not like being watched.

M: That's possible, but I think people who pass by here late at night might like the idea of having cameras around.

W: I guess that's also true.

【6번】 대화를 듣고, 두 사람의 관계로 가장 적절한 것을 고르시오.

W: How may I help you, Mr. Anderson?

M: Hi. Could I get laundry service for my suits?

W: Certainly, sir. When do you need them by?

M: I need them by nine o'clock tomorrow morning.

W: No problem. We can get them ready for you by then.

M: Thank you. Where can I leave them?

W: You can leave them in the laundry bag outside your room. We'll send someone up to get them.

M: Great. By the way, I need a morning call at 7 o'clock tomorrow morning.

【7번】 대화를 듣고, 두 사람이 함께 볼 TV 방송을 고르시오.

M: No, I didn't. I don't really watch talk shows.

W: What do you usually watch, then?

M: I like watching quiz shows. I also watch science programs.

W: Why science programs?

M: Because they give me useful information. What do you like to watch?

W: Oh, I like cooking programs. My favorite is the one with the chef from England. He uses unique ways to cook.

M: I like that program, too. It's not like other cooking programs because he tells good jokes. He's funnier than a comedian!

W: Hey, I heard that when your hand hurts, you may have a stiff shoulder. Here, why don't you try stretching out your shoulder muscles like this?

M: Okay, I'll try. Huh! Wow, it does help! I feel better. Where did you learn that?

W: I learned it in my yoga class.

M: Yoga class? I didn't know you're taking yoga class. How long have you been taking it?

W: About six months. Actually, I have a class tomorrow evening. You should come with me.

M: Lately I've been so forgetful. I forget almost everything.

W: Maybe you should walk to school by a different route.

M: Walking to school by a different route? What do you mean by that?

W: Sometimes doing regular activities in a different way can make your brain more active.

M: Maybe you're right. I've also heard trying new things can stimulate the brain.

W: Right. So you could even put some herbs next to your bed. If so, you can wake up to different smells each morning.

M: Do you really think doing these things can improve my memory?

M: Okay, let's start with his hobby. What does he like to do during his free time?

W: He likes to watch movies and take pictures.

M: I got it! Why don't you get him a camera?

W: That's a great idea. Which brand should I buy?

M: Well, they all have similar functions, so I think you should get him something that is easy for him to use.

W: _____

【서답형 1번】 대화를 듣고, 여자가 쓴 메모의 빈칸에 들어갈 적절한 말을
우리말로 쓰시오.

(Telephone rings)

W: Hello?

M: Hi, Lisa. It's Tom.

W: Hi, Tom. How are you doing?

M: Pretty good. Hey, did you get Minho's birthday gift?

W: Yeah, I bought a book. What about you?

M: I was thinking of getting him a CD.

W: That sounds good. He'll like that.

M: I hope so. By the way, Minho's birthday party is this Saturday, right?

W: Right, at 5 o'clock. You're coming, aren't you?

M: Yeah, of course. I'll see you there.

【서답형 2번】 다음을 듣고, Jenny가 Bill에게 한 말로 가장 적절한 것이 되도록
<보기>에서 골라 차례대로 쓰시오.

M: Jenny is at her friend Bill's party. This is a special one because Bill cooked all the food for the dinner himself. Jenny is surprised that everything is so delicious, especially the pizza. Even though it doesn't look like a professional one, Jenny thinks that it is the best pizza she has ever tasted. Jenny wonders how Bill made it. In this situation, what do you think Jenny probably asks Bill?

【서답형 3번】 대화를 듣고 내용을 요약할 때, 빈칸에 가장 적절한 말을 쓰시오.

W: Honey, you don't look very well. What's wrong?

M: I just don't feel very well. I seem to be really tired all the time.

W: Maybe you need to take some vitamins and relax more. Or maybe you'd better go see a doctor.

M: It's not that serious. Besides, that would be a waste of time and money.

W: Why?

M: Every time I see a doctor, he tells me the same thing. "Get more rest." "Get some exercise." "Stop smoking." I'd rather go to bed than hear his nagging.

W: Okay, I see. Why don't you go lie down?

【서답형 4번】 대화를 듣고, 두 사람이 방문할 곳과 이용할 교통수단을 우리말로 쓰시오.

W: Hi, David. Have you done your history homework?

M: No, I haven't. What about you?

W: I haven't done it, either.

M: Well, I was going to go to the museum to get some information.

W: That's a good idea. Can I go with you?

M: Sure.

W: Then, should we take the subway or a bus?

M: Actually, there's a bus that goes directly to the museum, so I think it'd be easier to take the bus.

W: Sounds good.

【서답형 5번】 다음을 듣고, 학생의 휴대전화 소지에 대해 남자가 찬성하는 이유와 여자가 반대하는 이유를 우리말로 쓰시오.

M: Parents are always worried about the safety of their children until they come home from school. Cell phones can relieve their worries. Whenever parents want to know where their kids are or if they are all right, all they have to do is push the buttons to hear their children's voices.

W: Students send text messages frequently during class. Even when there is no message coming in, they habitually check their cell phones. This makes it hard for them to pay attention to their teachers and often causes them to get lost in the middle of a lesson.
